

Clinical Connections

An enhanced sense of independence

- Supports patients living in the comfort of their own homes
- All day, all year, medical alert service is on hand*
- Sense of security and peace of mind for all

The time for Philips Lifeline is *before* the fall

Philips Lifeline's protection in the event of a fall can get help fast and reduce unnecessary suffering

- A fall is often what triggers the family decision to subscribe to Lifeline.¹
- A direct referral by either telephone or fax is the best way to get your patients started with Lifeline before they have a fall.

Refer family caregivers to Philips Lifeline *before the fall*:

- ▲ Prompt help in case of a fall or emergency
- ▲ Greater sense of independence for loved ones
- ▲ Prompt and caring help, 24 hours a day
- ▲ Can reduce stress for the caregiver
- ▲ Peace of mind for the entire family
